These contributions support diverse community organisations and charity partners, aligning with our mission to support meaningful charitable causes. We aim to improve under-resourced sporting and musical programs for future generations. Through collaborations with various charities, we strive to make a lasting difference in our community.

We have partnered with charities that are most in need of support, as well as those we feel most connected to. We have made an annual pledge to give away \$1 from every ticket sold.

Last financial year, we donated over \$30,000. Our partner programme enables us to grow our corporate hospitality offering, and connect with a network of large, reputable companies to grow our audience.
